BUILDING BETTER CARE

## JOB SCOPE: SENIOR CARE ASSISTANT

New Care is a development-led care home operator providing 'New Generation' care facilities. This unique offering of a construction company and care company working as one ensures the homes we design and build compliment the exceptional care provision we provide.

We are looking for an experienced Senior Care Assistant to join us at our stunning new care home "Ashlands Manor" in Ashton-on-Mersey which is due to open in early April 2017.

The home will be registered to provide care to 57 residents who have a variety of care needs residential, nursing and dementia.

Reporting directly to the Home Manager you will be part of a growing team in a market leading company. You will have the experience and confidence in delivering exceptional customer care supported by your team members.

If you are looking for a role which offers support and professional development whilst also providing opportunities to influence and develop key aspects of residents care please contact Laura Cullen in the first instance at [careers@newcarehomes.com](mailto:careers@newcarehomes.com)

### Experience required:

- Minimum of 12 months experience at Care Assistant level in a care environment.
- Experience working with older people.
- NVQ Level 2 in Social Care or equivalent
- NVQ Level 3 in Social Care or equivalent/ the achievement of this in the first 12 months of their employment.
- Evidence of the ability to contribute to the assessment, planning and evaluation of the care needs of older people.
- Demonstrate a sound knowledge of the 6 principles of care and how they should underpin delivery of care in a residential/Nursing setting.
- Good oral and written communication skills
- Demonstrate self motivation and confidence
- Good team worker

The position is subject to a DBS check

**Position:** Senior Care Assistant

**Location:** Ashton on Mersey

**Hourly Rate:** £8.50

**Contract:** Full and Part time with paid breaks

**Benefits:** In house mandatory training, development and opportunities for progression.

### Responsibilities:

- To deliver hands on care to residents in a person centred manner
- To participate in the dispensing of medicine
- To be responsible for the running of a community within the care home
- To assist the Home Manager and Registered Nurses in the running of the home
- To continually improve the quality of care delivered
- Keeping up to date with best practise as part of an ongoing personal development plan
- Keeping up to date and implementing the New Care Projects Care Practice Guidelines/ Procedures
- Participating in the ongoing assessment, planning and evaluation of residents
- Daily recording of residents care
- Ensure that changes in need are observed and reported
- Along with your main duties, you will also be expected to carry out any other duties that are reasonably asked of you by the Home Manager.
