

ROLE: HOME TRAINER
SALARY: £10.00 PER HOUR
LOCATION: WILFORD, NOTTINGHAM
START DATE: APRIL 2018

New Care Projects is a development-led care home operator providing 'New Generation' care facilities. From the initial concept and design of the building, through to construction, recruitment and care delivery, New Care carefully considers every last detail of each care facility.

Our stunning new home Ruddington Manor Care Centre, a purpose-built 66 bed care facility and is situated in the popular location of Wilford in Nottingham. The home meets all CQC requirements and provides the highest standards of safety, comfort and care to residents who have a variety of care needs including residential, nursing and dementia. We invest in our homes to enhance the experience of our residents. This includes OOMPH an award winning activities and well being programme. We have also introduced electronic medication administration records in all of our homes. We are developing electronic care planning which we anticipate will be ready for the opening of Ruddington Manor Care Centre.

We are seeking an experienced and enthusiastic Home Trainer, who will report directly to the Home Manager. The majority of our training is delivered face to face, so this post includes significant planning and delivery of training. By joining the team, you will become an integral part of a growing team, in a market leading company. You will have the experience and confidence in delivering exceptional customer care and will be fully supported by your team members. The home opens in April 2018, therefore we are looking for an April start.

Role Responsibilities:

- To coordinate all aspects of education in the home
- To organise and deliver education as appropriate, including practical assessments of staff working with residents.
- To ensure that the home is meeting the company and legislative requirements for education
- To ensure e-learning programmes are being accessed effectively
- To ensure that all staff are inducted effectively, using the appropriate induction paperwork/workbooks and that reviews are carried out at the appropriate stages of the induction process
- To ensure that the home meets apprenticeship and S/VQ targets, and that paperwork is completed in a timely manner
- To support the GM to recruit young apprentices, and ensure appropriate forms are completed to secure funding
- Maintain the Home's Education Matrix

Skills and experience required:

- Experience in the health and social care sector is essential.
- Experience in the care home industry is desirable.
- Hold appropriate qualification - Cert Ed, C&G 7300, 7303, 7304 or equivalent
- Possess good Understanding of VQs

How to apply:

As a family run organisation, we firmly believe our success is down to the passion and hard work of our staff.

If you are looking for a role which offers support and professional development whilst also providing opportunities to influence and develop key aspects of resident's care, please contact our recruitment team in the first instance at:
